

IT'S THE LAW

The Pooper Scooper Ordinance! In October 2000, the Warminster Township Board of Supervisors passed Ordinance #565 regulating animal defecation on public and private property and the disposal of animal feces. In short, pet owners are **REQUIRED** to clean up after their animals, not only in the parks, but on all public and private properties throughout the Township or face the possibility of a fine up to \$1,000.00.

THANK YOU
