

Every ten years, the U.S. Census Bureau conducts a census to count every resident in the United States.

Consider filling out the Census to help your community get funds for schools, hospitals, roads, public works and other vital programs.

You can respond to the Census, online, by phone, or by mail.

While responding to the Census, you must include everyone living in your house (including children) as of April 1, 2020.

All information that is given to the U.S. Census Bureau is kept completely confidential.
